

PROFILE

Outstanding ability to solve problems and make decisions efficiently thanks to my analytical skills. Ability to work as a team and quickly adapt to new work environments. Excellent communication skills and ability to convey information clearly and concisely. Recently graduated, I am interested in continuing to learn, gain experience, and grow professionally. I am available to travel, work remotely and do internships or training. My positive attitude, commitment, and dedication in all the tasks I perform drive me to exceed expectations and achieve the proposed objectives.
